# SWAN

SWAN is a non-profit social service organisation which has been serving Sankara Nethralaya since 1984. Commenced in a modest manner by a team of homemakers, SWAN consists of a dedicated team of volunteers who assist various departments of Sankara Nethralaya in its day-to-day activities.

This year SWAN completes 25 years of selfless service. With every passing year we have grown and so have our responsibilities. As we celebrate our Silver Jubilee we hope to garner more support from society to enable us to pursue our endeavours. We will appreciate greatly your contribution to our various services.
